**MOTION TO AMEND PLEADING UNDER FED. R. CIV. P. 15(A)**

Petitioner, believes that the Amended Petition for Cancellation filed herewith is one to be entered as a matter of course. If deemed otherwise, Petitioner respectfully submits that it is appropriate for the Board to grant leave to enter in the interest of justice. No substantive response has been made to Petitioner's pleading, and no discovery has been made, so entering the Amended Petition for Cancellation does not prejudice the Respondent.

The Amended Petition for Cancellation recites prior and continuous use of the mark in more detail. Moreover, in the process of drafting the Amended Petition for Cancellation, in reviewing records in connection therewith, and constructing timelines, it became clear that Registrant had abandoned or otherwise lost rights to the contested registrations, and further causes in this line are now pleaded.

In view of the foregoing, good cause has been shown, and it is respectfully requested that this motion be granted.

Respectfully submitted,

Date: March 23, 2011
